available

## STAND OUT

Illumination is the key to beautiful merchandising. Our new glass shelves provide up-market feature lighting for your eyewear. The design is simple yet the result is sophisticated, giving you the means to present your eyewear to the world in the most striking and efficient way. Both the upper and lower surfaces of the shelves are made from frosted glass allowing soft LED light to pass through. Your frames are therefore bathed in the most perfect light from below and above. You can even choose different colours of front finishing to match the style of your interior design.

LED SHELVES ARE AVAILABLE IN THREE COLORS AND TWO SIZES

Indus LED shelf white 530mm – #50590  
Indus LED shelf white 930mm – #50594

Indus LED shelf 530mm black – #50590B  
Indus LED shelf 930mm black – #50594B

Indus LED shelf 530mm eiken – #50590ST  
Indus LED shelf 930mm eiken – #50594ST
